48	84	4	15 1/2	6	16 1/2
48	96	4	15 1/2	6	19
60	108	5	14 5/8	7	17 3/4
60	120	5	14 5/8	7	19 3/4

- This chart applies to all attachment methods that use fasteners to directly attach panels to the mounting surface:
  - DIRECT MOUNTING
  - STANDOFF MOUNTING
  - STEEL FRAME MOUNTING
- This chart can be used as a guide to the other attachment methods. But the additional hardware in these methods may require less attachment points as the hardware offers additional strength to the panel.
