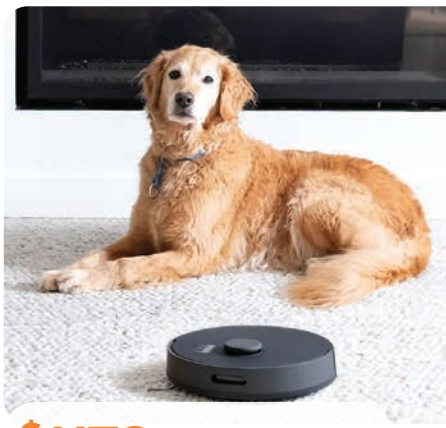
The Dog Lover's Home Edit

Clever, cozy, and dog-approved finds for every room in your home



$1179 Keep your floors spotless and fur-free without lifting a finger! The bObsweep Bio Auto-Empty Robotic Vacuum Cleaner and Mop **effortlessly cleans up pet hair and debris, self-empties into its station,** and ensures a pristine home for both you and your furry companions. A hassle-free cleaning essential for pet parents.
bobsweep.com

$130 Big shedder energy? We've got you. Tackle fur, fluff, and dust with the Neakasa P2 Pro is an **all-in-one pet grooming system with a built-in vacuum.** It's low-noise design, tools for trimming and de-shedding, and a three-stage HEPA filtration system mean more cuddles, less cleanup!
neakasa.com

$15 Help your aging dog navigate the dark. Sundown Sticks feature **soft, motion-sensing lights that gently illuminate** nighttime pathways for senior pets, easing anxiety before fading away so the whole family can sleep peacefully. A gentle light for restless nights!
